

EMPOWERING FUTURE ACTUARIES FROM ALL BACKGROUNDS

The IFoA Foundation is the charity of the Institute and Faculty of Actuaries, working with the global actuarial community for positive social impact.

Since 2020 we have empowered over 300 aspiring actuaries to join the profession, awarded over 80 scholarships and 100 prizes for excellence in actuarial study and research and engaged over 20,000 school pupils through lively initiatives promoting maths, financial education and actuarial careers.

SCHOLARSHIPS

“The scholarship makes real the connection between undergraduate study and the profession. It is empowering to be valued and nurtured by the profession at this early stage.” *Jenna, UK Scholar*

MENTORING

“My sincere gratitude for the opportunity to share knowledge and learn from experienced actuaries from around the world. My journey on the programme was insightful and amazing.” *Esa, Mentee Alumna*

YOUNG MATHS

“I really enjoyed the competition. I’ve always been interested in maths and hearing about the job of an actuary has made me enthusiastic to pursue a maths career!” *Eilidh, Third-Year school student*

CAREER INSIGHTS

“We were truly impressed by the conversations we had with those brilliant students. We enjoyed offering advice to help young people embarking on finance industry and actuarial careers.” *Tao, actuary volunteer*

Will you join our mission to empower and uplift others?

Talent is everywhere, opportunity is not

We invite donors and partners to invest in our Social Impact Fund and ensure more talented young people can benefit from access to actuarial careers regardless of their backgrounds. Your donation will:

- Elevate our ability to be connect to outstanding young people who need our support and expand the number of promising individuals we can empower and uplift.
- Grow sustainability of the fund that provides scholarships, mentoring, networking, financial education, maths challenges and social mobility initiatives to young people in the UK and around the world.
- Achieve more for our profession's diversity, equity and inclusion aims, enabling us to dismantle barriers to entry into the actuarial profession and build a vibrant community through shared purpose.

“

I feel passionately about supporting young people to build actuarial careers, and the IFoA Foundation does an amazing job at doing this. By donating you directly impact the current generation of beneficiaries but, more importantly, the ripples from that donation flow outwards to their families, providing benefits that impact a much larger group and last for generations to come.
