

# A PARTNERSHIP OPPORTUNITY WITH THE IFOA FOUNDATION

Supporting Our Community

**Do you work with or in the  
actuarial profession?**

Show your support for our  
professional community and join  
us as a Corporate Partner.

**IFoA Foundation**

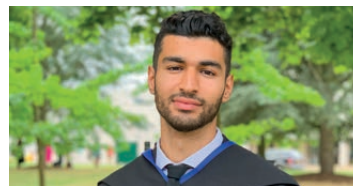

Institute and Faculty of Actuaries

Scottish Charity Regulator reference SCO49518

**Together we'll make a positive impact:**

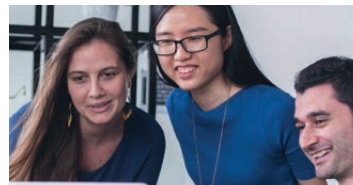

➦ **Increase access and inclusion within the profession**, supporting actuarial students from all backgrounds with study costs and mentoring

➦ **Reward excellence in actuarial studies** and support gifted students as they enter the workforce with scholarships, networking and prizes

➦ **Nurture a love of maths in school pupils** and raise aspirations towards actuarial careers through fun projects and inspirational role models

➦ **Fund practical financial literacy projects** for young people and support innovative initiatives and good causes aligned to our profession

Participate in volunteering opportunities that complement your CSR agenda and collaborate with us on awareness-raising initiatives that align your brand with our mission of 'actuaries supporting others'.

# We are inviting Partners to join us and support our charitable work with an annual donation.

Your corporate contribution will be acknowledged and recognised in the Foundation's global communications channels, with amplification across the IFoA. We will keep you up to date and engaged with volunteering opportunities, impact reports and invitations to our events.

---

The IFoA Foundation is the charity of the Institute and Faculty of Actuaries.

*"Together we are demonstrating how the generosity of the members and supporters of the profession can open doors for the next generation and empower them to pursue a life-changing career. We are committed to broadening and deepening our impact for the good of the actuarial profession, especially in the areas of diversity and inclusion, social mobility, financial literacy and rewarding excellence."*

**IFoA Foundation Chair, Kartina Tahir Thomson**
