## **PROFESSIONAL STANDARDS DIRECTORY - Update 11**

The Professional Standards Directory can be found here

<http://www.actuaries.org.uk/regulation/pages/professional-standards-directory>

It is designed to permit members and others to access the current BAS standards together with the current version of the Actuarial Profession Standards.

## **BAS STANDARDS**

The Board for Actuarial Standards is responsible for producing technical actuarial standards and the Actuarial Profession is responsible for implementing those standards. Each body is responsible for the content on its own website.

The Board for Actuarial Standards (BAS) has advised that some minor amendments relating to obsolete references to other regulatory documents have been made to:

Version 7.0 BAS amendment 1 of **GN20: Actuarial Reporting under the Lloyd's Valuation of Liabilities Rules**

The revised GN came into effect on 12/11/07 and is available at
