Institute and Faculty of Actuaries Library books clearance
July-September 2023

As part of a library stock review, the IFoA Library has withdrawn books that are duplicates, superseded editions, no longer in subject scope, or showing low usage over a long period, as well as some titles where we are now able to provide online access. We are now offering these library books for IFoA members to claim until 30 September 2023.

IFoA members may request books by emailing libraries@actuaries.org.uk with the subject line *'Library clearance 2023 request*'. Please provide the left column number reference (e.g. 21601) and book details from this book list, together with your name and 'ARN' member number, and specify the postal address you would like delivery made to.

When making requests, please beware that the condition of used library books may vary considerably, and only one copy may be available. We will respond to requests on a first come, first served basis, but we reserve the right to apply limits on the number of books supplied to allow fairness of opportunity.

Books will generally be provided free of charge, but we may be required to charge postage/shipping costs in some cases. If any charges or limits apply, we will advise and confirm the requester's acceptance before sending. Books will be sent by standard UK or airmail postage; we are unable to make any guarantees for delivery.

If you make use of this offer, please consider any small one-off donation to the IFoA Foundation:
https://actuaries.org.uk/about-us/ifoa-foundation/donate-to-the-ifoa-foundation/

This list will be revised periodically when books have been claimed and are no longer available.

Thank you,

IFoA Library team (libraries@actuaries.org.uk)
